Ethiopia

Facts

Geography

Ethiopia is bigger than the UK. It is a landlocked country in East Africa. Also it is full of Mountains, Valleys, Vast Deserts, Waterfalls and lots of fields. Addis Ababa is the capital of Ethiopia.

Food and Agriculture

Ethiopia is an Agricultural country. It sells lots of coffee beans. Also it can suffer from drought and famine. A favourite food is goat curry.

Animals

Ethiopia has a whole world of wildlife. Such as baboons, the rare black maned lion and cheetahs. Also out there are hyenas prowling around and little Blue-eyed Black lemurs.
